fun fact: this is exactly what
i'm prescribed.

i'm not sure it does
much in terms of
anxiety but i dont
want to kill myself so
thats a plus

please watch the sopranos
and talk to me about it. i
want to hear what you think.
also i want to hear your fun
lil gabagool jokes.

forgot to change the name, sorry

- veronica c.

if you were to tell me that i'd spend my 20's reading passive aggressive shit by grown balding men i'd have probably killed myself and/or gone on a _____ but now that i realize that it doesn't matter, i just look at my screen and i sorta find it funny in a genuine way. there's nothing to this twitter shit. it's just a fun lil game. i cannot read a dude in DC media's posts and get angry, i just stare and wonder who's gonna retweet hentai. maybe this time her assholes gonna not be gaping. maybe.

snug.zone
it's me and mike
just streaming whatever
whenever. please drop by when
you can, it's just a friendly place

chillhole -
invite code: 2dfWyvg

thanks to all my friends for
putting up with me

I'm gay for girls:
they are soft
and beautiful
and they are loving

sometimes i feel like i dont
deserve it on accounts of how i
am as a person but theyre
always there for me

if anyone knows how to
go back to text editing in
electric zine maker please
tell me how. the girl
appreciation post was
supposed to be on the next
page. i'm sorry. this is a
